

MMI Corporation Catalog 2006/07 Price List - Updated

To find the new price, use your catalog to get the page number and product number for the item you wish to purchase. Using the chart below, go to the page number in column one and locate product number in column two. Check to make sure you have correct product using product name in column three. Price change, if any, is in column four.

All prices are current as of October 2006. Prices are subject to change at any time.

Catalog Page	Product Number	Product Name and Description	Retail Price US\$
3	CDR224	Nat Geo World Book Ency CD	\$29.95
